

Technical specification sheet

HMS 4 C | FlowPanel Control Manifold

Specifications		
article number		100.172.047
model		HMS 4 C
short description		FlowPanel Control Manifold
number of outlet ports		4
couplers		yes
pressure gauge		yes
acting type		single
weight, ready for use	kg	17.8

Technical drawing dimensions		
dimension A	mm	480

Standard supplied with	
• Couplers	
• Gauges	

Accessories	
Assembly Set Flowpanel HMD On Vari Pump	100.182.112
Assembly Set Flowpanel HMS On Vari Pump	100.182.111
