

Technical specification sheet

HGC 25 | Cross Head

Specifications

article number		100.002.967
model		HGC 25
short description		Cross Head
max. working pressure	bar/Mpa	360 / 36
weight, ready for use	kg	2.1

Technical drawing dimensions

dimension A	mm	70
dimension B	mm	90
dimension C	mm	90
dimension H	threadsize	2" NPT
