

Technical specification sheet

HGC 25 | Assembly / Welding Ring

Specifications		
article number		100.182.193
model		HGC 25
short description		Assembly / Welding Ring
max. working pressure	bar/Mpa	720 / 72
weight, ready for use	kg	3.5

Technical drawing dimensions		
dimension A	mm	137
dimension A	threadsize	42
dimension H	threadsize	3 5/16"-12 UN
