

Technical specification sheet

HGC 10 | Assembly / Welding Ring

Specifications

article number		100.182.190
model		HGC 10
short description		Assembly / Welding Ring
max. working pressure	bar/MPa	720 / 72
weight, ready for use	kg	1.3

Technical drawing dimensions

dimension A	mm	103
dimension B	mm	30
dimension H	threadsize	2¼"-14 UNS
