

Technical specification sheet

HGC 10 | Connection Nipple

Specifications

article number		100.002.982
model		HGC 10
short description		Connection Nipple
max. working pressure	bar/MPa	360 / 36
weight, ready for use	kg	0.352

Technical drawing dimensions

dimension A	mm	70
dimension B	mm	45
dimension H	threadsize	1 1/4" NPT
