

Technical specification sheet

HGC 50 | Assembly / Welding Ring

Specifications

article number		100.182.194
model		HGC 50
short description		Assembly / Welding Ring
max. working pressure	bar/MPa	720 / 72
weight, ready for use	kg	5.7

Technical drawing dimensions

dimension A	mm	188
dimension B	mm	50
dimension H	threadsize	5"-12 UN
