

Technical specification sheet

HGC 5 | Assembly / Welding Ring

Specifications

article number		100.182.189
model		HGC 5
short description		Assembly / Welding Ring
max. working pressure	bar/MPa	720 / 72
weight, ready for use	kg	0.436

Technical drawing dimensions

dimension A	mm	68
dimension B	mm	22
dimension H	threadsize	1½"-16 UN
