

Technical specification sheet

HGC 25 | Connection Nipple

Specifications

article number		100.002.983
model		HGC 25
short description		Connection Nipple
max. working pressure	bar/MPa	360 / 36
weight, ready for use	kg	0.953

Technical drawing dimensions

dimension A	mm	75
dimension B	mm	61
dimension H	threadsize	2" NPT
