

Technical specification sheet

HGC 50 | Assembly / Welding Ring

| Specifications | | |
|-----------------------|---------|-------------------------|
| article number | | 100.182.194 |
| model | | HGC 50 |
| short description | | Assembly / Welding Ring |
| max. working pressure | bar/Mpa | 720 / 72 |
| weight, ready for use | kg | 5.7 |

| Technical drawing dimensions | | |
|------------------------------|------------|----------|
| dimension A | mm | 188 |
| dimension B | mm | 50 |
| dimension H | threadsize | 5"-12 UN |
